PRESIDENT'S MESSAGE

Things are off and going strong this spring. I imagine all the Chapters are busy making plans for spring and summer events. My local Chapter--the Mid America Chapter--has an all-Ford show planned for June 7 and a picnic with another Ford product club. Some of us will be attending Regional Meets and Cruise Nights.

All of you local Chapters need to start thinking about what you would like to do to help with the 93 Nationals. We need Chapters to take care of: registration, awards, parking, door prizes, and night security for the cars. Hopefully we can all work together to make the 93 National Meet a big success.

Please pre-register as soon as possible for this year's Regional and National Meets. It is a great help to the hosting Chapter.

Take care.--Jim Hatcher, FCA President

TECHNICAL HELP WANTED

****I have a 63 Falcon Ranchero 260 V8 4 spd. I am rebuilding the engine and want to change the gear ratios in the gearbox. 2nd and 3rd are very close together and 4th is way too low for the highway. Where do I get the right ratios for highway use and how is the swap performed? Will Stevenson, 304 North Shore Dr., Bellingham, WA 98226. 206-734-5106.**

****Where or who can I buy frame rail tie ends from? Or is this something we have to build ourselves? I own a 65 Futura 2 dr HT and was told to do this so my body wouldn't flex so much. When I get done doing the restoration work I plan to Auto-X race the car. So if any of you can help me, please write or call. Jerry Coffin, 17711 Eaton St. NW, Ramsey, MN 55303. 612-441-3300 home; 612-421-2705 D.**

****Does anyone out there have some form of documentation regarding the correct gravel guard fitted to 65 hardtops? I am planning to replace the damaged (non-original) unit in my car and have found there exist two different types of gravel guards fitted to 64 and 65 Falcon sedans and hardtops. Any ideas? Marin F. Ennis, 1405 Dogwood Dr, West Lawn, PA 19609. 215-678-2997.**

1991 FCA CONVENTION UPDATE

The days are getting longer and warmer now and they will be perfect when you are here for your 13th FCA Nationals. You still have several months to finish your car, but you should be finishing your plans to come now.

In Wisconsin we have an unsurpassed natural beauty, exciting attractions and a guarantee for a memorable vacation. Some of the attractions you may be familiar with are: The Wisconsin Dells, Door County, Circus World Museum, and House on the Rock. Maybe you would rather cruise the Mississippi, visit a restored frontier village, or see a railroad or maritime museum. Perhaps a fishing trip is more for you or a couple rounds of golf. What would you like to do? Whatever it is, you can find it here.

Those who have already called for tourism information know what a good time they're going to have. Anyone who hasn't, should call:

The Greater Milwaukee Convention and Visitor's Bureau
1-800-231-0903 (ask for visitor information)

Wisconsin Tourism Development
1-800-432-TRIP

in IL, MN, IA, MI, and WI call 1-800-372-2737.

Next month we will have details on what is happening in the Milwaukee area when you are here.

CHAPTERS

THE CAROLINAS CHAPTER reports that, at the suggestion of Ray Greene, a feature story on one of the Chapter members will be included in each newsletter. Butch Willis has donated a scrapbook to record the life of the Chapter. The Chapter newsletter reports that Ford registered the name "Falcon" with the Automotive Manufacturers Association just 20 minutes before Chrysler Motor Co. tried to register the same name.

THE GATEWAY CHAPTER met March 22 at the Shoney's Restaurant on Dorsett Rd. After lunch the monthly meeting was opened by President Don Cooley. Planning the upcoming Regional Meet Oct. 9-10 consumed most of the meeting time. Much discussion concerned selecting the trophies for the car show. A decision was made to have different trophies for the All Ford show than the Falcon show. All trophies will be a standing trophy, plus dash plaques. After the meeting adjourned, members enjoyed 4 games of Falcon Bingo, a new fun game, for prizes paid for by the Chapter.

THE HEART OF TEXAS CHAPTER met on April 18 at the Burleson Sonic Cruise Night. The Chapter reports the Falcons did very well at the Ft. Worth Rod & Custom Show, with Robby Sutton, Ron Dorsey, and Wayne Stevenson winning trophies.

THE KEYSTONE CHAPTER met at Meyer's Restaurant on March 21 for its annual spring dinner. There were 41 members in attendance, who enjoyed a fine dinner and conversation. President Ed Snyder conducted a meeting following the dinner, outlining Chapter activities for the summer and fall. Door prizes were awarded and a beautiful 63 hub cap clock donated by Harold Krause was raffled off. The meeting was concluded with the showing of the Chapter's appearance on Berks Community TV's "Spare Parts" program in January.

THE LONE STAR CHAPTER, through its President, Mickey Rosewell, invites one and all to our Tenth Anniversary Celebration Regional Meet in Plano, TX (Dallas area), June 12 and 13. Other Chapter officers are: Danny Rosewell, Vice-President; Linda Rosewell, Secretary; and Cleta Burton, Treasurer.

THE MID AMERICA CHAPTER met on March 6 and April 3, in Olathe, KS. 26 members/5 Falcons present in March and 22 members/6 Falcons in April. We are still working on our All Ford Show and Swap Meet which will be held on Sunday, June 7 at Olathe Ford in Olathe, KS. We are making plans for a picnic with the Lincoln-Mercury club in September. New officers will be elected in May. We are making plans for a Spring Regional Meet in Kansas City in June 1993. Our regular monthly meetings are held the first Friday of the month at Santa Fe Bar-B-Q in Olathe, KS.

THE MILE HI CHAPTER reports getting off to a busy start with the year with swap meets, participation in the Tri-State Auto Show, a pot-luck supper/meeting for St. Patrick's Day at the Mike Naughton Ford Agency, and a special bus tour in April out to the new Denver International Airport site. So far we have about 45 families that have joined our chapter for 92 and it is growing steadily. We still provide a nice membership packet to each new person who joins that includes numerous items to welcome them into the club. In order to get people to pay their dues a little earlier this year we tried the incentive of a "free dues drawing if signed up by the February meeting." It worked well.
